

1) IF MIKE WALTERS RETIRES AND THE COUNTY DOESN'T  
APPOINT A NEW COMMISSIONER OF EMERGENCY SERVICES  
HOW WOULD THIS AFFECT THIS PLAN?

To make changes we will need the APPROVAL of  
THE E.C.V.F.A., E.C.F.C.M.A. ORG., E.C.F.D.O.C. ASSOC. PLUS  
APPROVAL OF OTHER COUNTY & STATE DEPARTMENTS. THIS WILL  
BE TIME CONSUMING.

SECTION 1-C & SECTION 7-D STATES THAT THIS SHALL BE DONE  
<sup>REVIEW</sup> ANNUAL. (THIS PLAN & INVENTORY OF FIRE APPARATUS)  
IS THIS NECESSARY?

SECTION 2-A SHOULD OTHER UNITS BE ADDED SUCH AS  
HAZ-MAT, WATER RESCUE, STAR TEAM OR ARE THEY COVERED  
SOME OTHER WAY? IF ADDED THEN THE WORKING OF  
SECTION 1-A FIRE DEPARTMENTS WOULD NEED CHANGING.  
ALONG WITH OTHER SECTIONS.

SECTION 2-B WITH THE PARTNERING OF THE OTHER COUNTYS IN  
THE STATE WIDE RADIO SYSTEM, DO THEY NEED TO BE INCLUDED?

SECTION 2-D IS THERE A STANDARD RESOLUTION OR DOES EACH  
UNIT WRITE THEIR OWN?

SECTION 3-B4 CHANGE FROM 21 TO 25 MEMBERS

SECTION 3 - B-5-F Review of running cards. Should this be removed?

SECTION 6-E Back up operation at Chestnut Ridge ~  
Should there be duplicate running cards there for dispatch?

SECTION 8 STANDARD THREAD - Should there be a standard on quick couplings?

SECTION 9-B - Third alternate ~ Should this be reworked?
